- Intern working with Odoo and Wordpress.

### INTERESTS AND LEISURES

#### READING

#### RESEARCH AND OPEN SOURCE

#### MUSIC ( PIANO AND GUITAR )

#### SPORT

### BIO

#### Who am I ?

I am a software developer specialized in web and back-end. My interests include problem solving, research, mathematics, programming, artificial intelligence, IoT, and music. I am fluent in French and English. I am also in the process of learning Mandarin. I thrive in collaborative environments and am excited about the prospect of being part of a team dedicated to addressing the world's challenges.

# EDUCATION

## BEFORE 2020 Self-learning

- Learning computer science through online learning platforms.
